Defranco Entertainment, United States, 2012. Paperback. Condition: New. Language: English. Brand new Book. Love, it seems, is transcendental. At least that's what Monique ("Momo") and nine-year-old Tutor Moot think after discovering beautiful and serendipitous connections between their herd of Yorkshire terriers that they breed and sell, and the people the little terriers choose as their owners. Having lost her husband while pregnant with Tutor, Momo tries desperately to create a family for her expectant child. The dog breeding business has a lot more to offer than income, she soon finds out, as the loving disposition of their Yorkshire terriers fills the void of loss. A small neighborhood is the backdrop for six people longing for a second chance at life, happiness, and perhaps a little closure. When fate intervenes, each of them finds that an unexpected gift can be found in a most unusual reincarnated package, as a little puppy. Yorkshire Pudding serves up a whimsical, celestial tale that will resonate with any reader who has ever loved a dog. Big on inspiration, this heavenly little story will melt the heart and bring sweet tears to the eyes of anyone who believes that dogs do smile and have souls-and it will make...
